Doing research on crime and justice (eBook, 2000 ...

Sociologists examine the world, see a problem or interesting pattern, and set out to study it. They use research methods to design a study—perhaps a detailed, systematic, scientific method for conducting research and obtaining data, or perhaps an ethnographic study utilizing an interpretive framework.

2.2 Research Methods | Criminal Justice

Sociologists interested in crime and the criminal justice system may analyze data from court records, while medical sociologists often analyze data from patient records at hospitals. Analysis of existing data such as these is called secondary data analysis .

As a result, research on undocumented immigration remains a substantial lacuna in immigration-crime research. Indeed, in a recent meta-analysis of the 51 macro-level immigration–crime studies conducted between 1994 and 2014, not one was aimed at explicitly examining unauthorized immigration flows (Ousey and Kubrin, 2017). Since that time ...

DOES UNDOCUMENTED IMMIGRATION INCREASE VIOLENT CRIME?

Crime. Black adults in the U.S. consistently express more concern than white adults about crime. In last year's prelection survey, three-quarters of blacks – compared with fewer than half of whites (46%) – said violent crime is a very big problem in the country today.

How black, white Americans differ in ... - Pew Research Center

There is widespread concern about racial disparities in fatal officer-involved shootings and that these disparities reflect discrimination by White officers. Existing databases of fatal shootings lack information about officers, and past analytic approaches have made it difficult to assess the contributions of factors like crime. We create a comprehensive database of officers involved in fatal ...
