Unit 5: Mechanics Archives - myText CNM

Each module of a particular modification can be upgraded to the protection level of the next module using micro-upgrades, while fully upgraded M3 modules provide 50% protection. Keep in mind that micro-upgrading modules at M0, M1, and M2 stages is a lot more expensive than waiting for the next modification to unlock, but it gives you an advantage in battle since you gain those extra percent of protection at a lower rank.
