Kalamazoo Grill - 5 Reasons Why It is The Best [REVIEW]

Most Kamado grills come with stands, but this one takes the design to another level with an acacia wood table that holds and surrounds the grill, making it look like a quality piece of furniture for your deck or backyard. The table gives plenty of space for tools, plates, and condiments next to the grill, with even more storage on the shelf below. The table is slatted, so rainwater will easily drain off, and has wheels that make it easier to position it in the perfect place.
