### The Plague Race

A tense and frightening race was run in appalling conditions by two rival scientists: Alexandre Yersin This discovery was made in Hong Kong at the beginning of the 20th century, during an outbreak that threatened to decimate the island and, from there, the world.

### The Plague Race by Edward Marriott - Goodreads

An inspiring story of scientific endeavour and human bravery, The Plague Race is the story of one brave scientist who made an amazing discovery made in Hong Kong 100 years ago -- during an outbreak of the plague that threatened to decimate the island and, from there, the world. A tense and frightening race was run in appalling conditions by two rival scientists: Alexandre Yersin - rigorous, solitary, cerebral - and the suave Kitasako, unscrupulous, enigmatic, careless.
