The Secular Ark: Studies in the History of Biogeography by ...

"Browne's exploration of early biogeography has both depth and sensitivity to the subtle arguments of the primary literature. Within the current discussion of vicariance analysis, this is a timely book as well. Every scholar interested in biogeography should read The Secular Ark. Highly recommended."—Library Journal

The town of Ashburnham, Massachusetts, has painted over a biblical display on a library playground following a complaint from the Freedom From Religion Foundation, an atheist group. Stevens Memorial Library had featured at its playground a turning picture game of Noah's Ark, which FFRF said violated the Establishment Clause of the First Amendment.

A secular state is an idea pertaining to secularity, whereby a state is or purports to be officially neutral in matters of religion, supporting neither religion nor irreligion. A secular state claims to treat all its citizens equally regardless of religion, and claims to avoid preferential treatment for a citizen based on their religious beliefs, affiliation or lack of either over those with ...
