### Why Tango Essays On Learning

These essays examine how tango is taught, danced, perceived, and experienced today. The author's experiences resonated with my own, and helped me understand why not everyone perceives tango the same way. (The content rates fives stars, but as an editor, I knocked off one star because I found myself fixing a lot of writing errors in my head.)

Tango History Essay. Tango appeared in the late 19th century: "Tango belongs to a music genre, which is associated with dance and music. Argentina is considered to be the origin of tango. One can come across various types of tango. It is not that all tango is the same" (DifferenceBetween, 2011). The roots of tango have very close connection to the immigrants from poor neighborhoods in Buenos Aires.

### **Tango History Essay**

To conclude, what makes tango unique as a dance form is its embrace and use of improvisation. I would also add as another essential element - the music used for the dance. It may be a truism but Argentine Tango is the only dance that is actually danced to Argentine Tango music. That in itself makes the dance unique.

Tango is a family, it is a way of life, a dance, a different lifestyle that will last until the next dance or the next life time. You will meet people from all over the world that more than likely will not speak your native language, may not share you political views, will not know where you live or where you come from or care for that matter.

## **Beginning Tango - The First Lesson - Tango Topics**

Tango is language evolved. Tango, the music and the dance, has a complex history, the details of which vary depending on who you read or listen to. Its development parallels the social and economic growth of Argentina and Uruguay, in particular the area of Rio de la Plata and its triangle of Buenos Aires, Rosario and Montevideo.
